

CLASSIC HARBOR LINE

CHELSEA BREWING COMPANY

Join us for this unique **Art of Beer and Cheese Pairing** event, which will start with a little beer-brewing education tour and continue on to a 2-hour sail aboard one of our classic pilot schooners, either the Adirondack or the Imagine while pairing beer and cheese together.

This 2.5-hour event includes:

- A Brewery tour by Ron Carlson of the **Chelsea Brewing Company**, Manhattan's largest microbrewery
- A 15-minute guided tour of the brewery
- A 2-hour sail aboard a **classic schooner sailboat**
- **Three custom-made Chelsea Brewing Company brews**, as they are expertly paired with **three specially chosen cheeses** to match.
- Exquisite views from the Hudson River and New York Harbor
- **Some of the sites you'll see along the way will include** the New York City skyline, Battery Park, Ellis Island, and the Statue of Liberty. Sit back and relax as our crew serves you and you take in the views of Manhattan while engaging in Ron Carlson's beer and cheese pairing.

Climb aboard a classic pilot schooner and experience the city's beauty and elegance under the setting sun.
